

# SILVERSTONE

## CABERNET SAUVIGNON

Fermented in stainless steel tanks at 86F. The wine was transferred to oak barrels. Wood age for a year then fined and filtered for bottling.

### TASTING NOTES

Note of cherry and chocolate combine with sweet toasty oak for this full-flavored wine with a long, complex finish.

This intense but smooth red wine will accompany grilled meats, vegetables and other well-seasoned foods. Perfect wine for prime ribs, baby back ribs, chili and flank steak.
