

SILVERSTONE

SAUVIGNON BLANC

Fume' Blanc is a widely used alternate name for Sauvignon Blanc grape variety. Particularly when it is grown in prime vineyards along the California coast, this highly regarded grape produces outstanding dry white wines, most often with a fresh, slightly herbaceous character. "A classic and elegant white wine."

TASTING NOTES

Earth and flintstone nose with green apple and lush vanilla flavors; smooth on the palate, with a long, crisp finish.
